

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of: Evan Samuel Deneris *et al.*

Serial No.:

Group No.:

Filed: 10/25/01

Examiner:

Entitled: **Reagents And Methods For The Screening Of
Compounds Useful In The Treatment Of
Neurological Diseases**

CERTIFICATE RE: SEQUENCE LISTING

Assistant Commissioner for Patents
Washington, D.C. 20231

CERTIFICATE OF MAILING UNDER 37 C.F.R. § 1.8(a)(1)(i)(A)

I hereby certify that this correspondence (along with any referred to as being attached or enclosed) is, on the date shown below, being deposited with the U.S. Postal Service with sufficient postage as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231

Dated: October 25, 2001By: 

Christopher J. Collins

Sir or Madam:

I hereby state that the enclosed Sequence Listing is being submitted in paper copy (included in the specification) and a request under 37 C.F.R. § 1.821(e) to use computer readable form from another application, and that the content of the paper and computer readable (from patent application) copies are the same.

Dated: October 25, 2001By: 

Peter G. Carroll

Registration No. 32,837

MEDLEN & CARROLL, LLP
101 Howard Street, Suite 350
San Francisco, California 94105
